

# ULDD Phase 3 Update

January 30, 2018

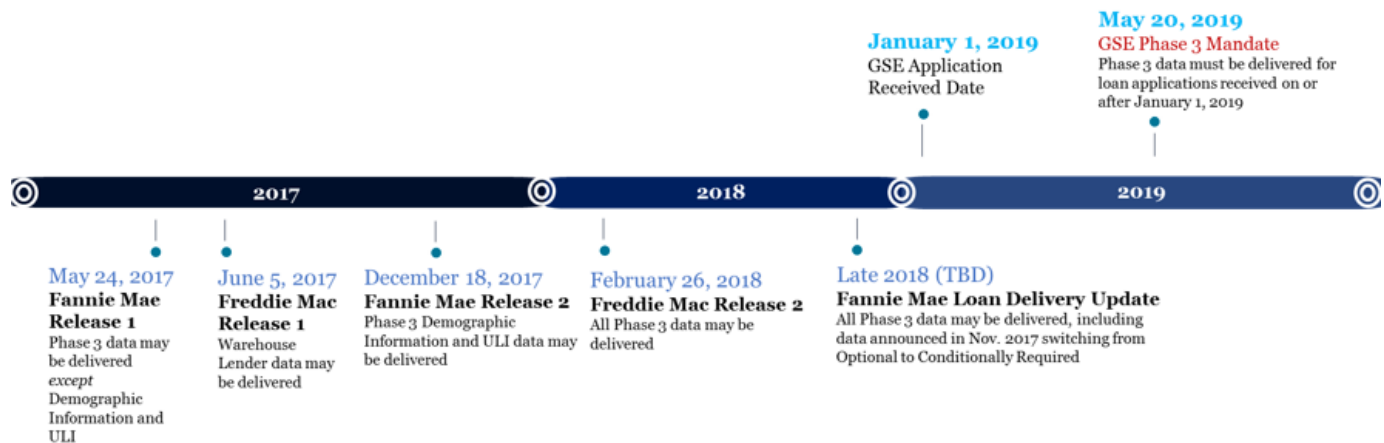

Freddie Mac and Fannie Mae (the GSEs) are providing an update to Phase 3 of the Uniform Loan Delivery Dataset (ULDD), as a follow up to our [November 2017 announcement](#). Today's announcement provides details on the ULDD Phase 3 implementation timeline.

## Implementation Timing

The GSEs provided implementation timelines and an associated mandate in response to industry needs, allowing an extended adoption period to comply with the ULDD Phase 3 requirements. The GSEs have established that the complete **ULDD Phase 3 data will be required beginning May 20, 2019**.

To assist lenders with pipeline management, loans with an Application Received Date on or after January 1, 2019, and delivered on or after May 20, 2019, must meet the ULDD Phase 3 requirements. Details are provided in the updated timeline below (also available [here](#) on the ULDD webpage).
