

Introduction

As part of achieving home ownership, potential buyers may not have the means or opportunity to save for a large down payment and closing costs. To help bridge this gap, there are options available to assist qualifying borrowers with down payment and closing costs. This resource focuses on the different types of down payment and closing cost assistance from a Loan Product Advisor[®] (LPASM) data submission perspective. The terminology used in the tool will help you to understand how to correctly input information into Loan Product Advisor.

What are gifts, grants and Affordable Seconds

Recognizing there are various terms used in the industry, the information provided below is a high-level overview of the defined terms used in this resource when gifts, grants and or Affordable Seconds[®] are used to assist with down payment and closing costs.
