

**DPA One®**  
Your one-stop shop for down payment assistance.

DPA One® is a free, online resource designed to bring together DPA program providers and housing professionals into a single, centralized platform to manage and match down payment assistance programs nationwide.

*“DPA One is so convenient. I can go to one place and have all the information I need. It’s a time saver.”*

Elliot Santiago, Manager  
Prosperity Home Mortgage

## Lender Benefits

- **Save time.** Quickly find and match down payment assistance programs in real-time.
- **Build trust with more clients.** Compare and share up to three matches, allowing you to easily counsel and recommend the best option.
- **Drive efficiency.** Standardized program format and streamlined submission process reduces errors and frustration.

## DPA Program Provider Benefits

- **Single-source to manage programs.** Easily enter and manage down payment assistance program details with ability to publish on-demand.
- **Maximize visibility with housing professionals.** Effectively communicate and share programs to a network of professionals and get insight to engagement and selection.
- **Save time and resources.** Standardized process reduces submission errors and trouble-shooting.
