

# Freddie Automated Servicing Transfer (FAST®): Daily Reconciliation Summary Report

## Overview

Sellers receive a daily reconciliation summary report through the Freddie Automated Servicing Transfer (FAST®) tool. It contains your servicing file transfer activity for the most recent 90-day period. The aggregated report is available in .CSV format and is available in the FAST Delivery User Interface tool (FAST UI tool) at 9 p.m. ET, on Freddie Mac business days. The daily reconciliation summary report displays as “FAST-LSA-Recon” and contains the following information:

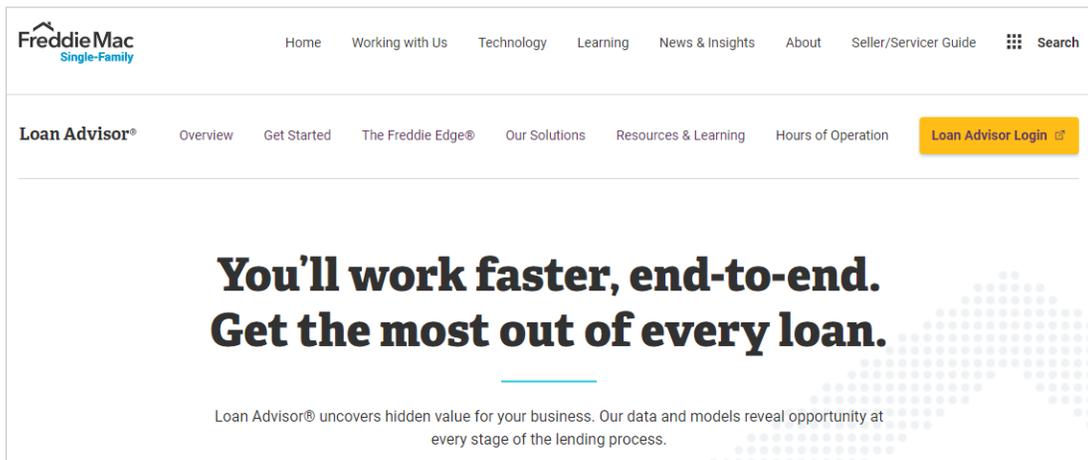

Column	Column Name	Description
