

Settlement Status Codes Reference Guide

After a workout is approved, continue using the Manager Series Reports, available via the Servicer Performance Profile, to monitor its progress during the settlement process. The Manager Series Reports provide access to detailed settlement status codes that give you additional information about the approved workout. Reviewing and resolving the status codes will help expedite the resolution of your workouts.

This reference guide:

- Explains how to access and view the settlement status codes.
- Identifies each settlement status code, what it means, and how to resolve it.

If you have any questions after reviewing this reference guide, contact your Freddie Mac representative.

Note: These codes are also applicable for short sale workout requests submitted in Workout Prospector® (prior to 8/1/2022) or in Resolve®.

How to Access and View the Settlement Status Codes

You can access and view settlement status codes via the Status Overview loan-level detail reports available in the Manager Series Reports section of the Servicer Performance Profile.

After you log into your Servicer Performance Profile, perform the following steps to access and view settlement status codes:

1. Click the appropriate tile menu to access the Status Overview loan-level detail report you want to view.

The screenshot displays the 'Manager Series Reports' interface with several tiles. Two callout boxes provide instructions:

- Callout 1:** Points to the 'Modifications' tile. Text: "Access the Modification Status Overview loan-level detail report via this menu."
- Callout 2:** Points to the 'Liquidations' tile. Text: "Access the Liquidation Status Overview loan-level detail report via this menu."
