Construction to Permanent Mortgage Updates

Effective February 4

Messages have been updated to support the Construction to Permanent policy announced in *Single-Family Seller/Servicer Guide* (Guide) [Bulletin 2026-1](#). We made multiple changes to Guide Glossary terms to align with industry terminology, including changing “Construction Conversion Mortgages” to “Construction to Permanent Mortgages” and increased the allowed age of documentation when a loan meets the published requirements. Review the Bulletin as there are also revisions to the [Uniform Loan Delivery Dataset \(ULDD\) requirements](#).
