UAD Redesign Updated Documentation

The Uniform Appraisal Dataset (UAD) and Forms Redesign team has updated existing documentation to align documents, make minor changes, and provide further clarification. A detailed Revision History is provided in each document. Please check the Revision History in each document to determine whether these updates impact your implementation efforts.

Updated Documents

- UAD Specifications
- Implementation Guides
- Reference Guides
- Style Guide
- UAD Compliance Rules
- Sample Scenarios and XML Files including Sample Scenario PDFs (Combined)
- UAD Cross Reference Guide

For more information, please visit our [UAD webpage](#).
