

## ULDD Phase 5 Supporting Documentation Updates

December 19, 2023

As a follow up to the [September 12, 2023, announcement](#), Freddie Mac and Fannie Mae (the GSEs) are providing supporting documentation updates to help prepare you for the implementation of ULDD Phase 5.

### Supporting Documentation Updates

- [Appendix B - Test Case Scenarios](#) – updated and added examples for ULDD Phase 4a. Highlighted delivery differences between ULDD Phase 4a and the new ULDD Phase 5 data points.
- [Appendix C - XML Samples](#) – updated the XML headers to use the new ULDD Phase 5 extension schema file name. Also updated and added example XML files for ULDD Phase 4a and the new ULDD Phase 5 data points.
- [Appendix E - MISMO Reference Model and ULDD Phase 5 Extension Schema](#) – updated the ULDD extension schema to include ULDD Phase 5 extension data points. A visual representation of the ULDD Phase 5 extension schema is also included.
- [Uniform Loan Delivery Dataset FAQs](#) – updated to include a reference to the new ULDD Phase 5 extension schema and other minor enhancements.

### Resources

To support your development and adoption of ULDD Phase 5, the following additional resources are available on the [ULDD webpage](#):

- [September 12, 2023, announcement](#)
- [Summary of ULDD Phase 4a Updates and Phase 5 Specification](#)
- XML Data Requirements specifications: [Appendix A](#) (.pdf) and [Appendix D](#) (.xlsx)
- [Freddie Mac ULDD Learning Help Page](#)

Questions about this announcement, or ULDD Phase 4a and Phase 5 data requirements, can be directed to your Freddie Mac representative or our [ULDD mailbox](#).
